CULTURE: THE MATERIAL WORLD

- ✘ There are **6 groups** in the room. Each group will have one family photograph to analyze.
- ✘ You will have 15 minutes at each table. Please take your time and **talk** to your group members about what you see in the photos.
- ✘ Each group member is responsible for their own handout.
- ✘ Your group will have the opportunity to visit a total of two tables and examine two different families.

Let's go over a photo together!

Each of these families has taken their household materials and put it all outside.

FYI- For the most part, these families do not “live on the roof or front lawn”

Let's go over each of the questions for this example.

Exit Ticket:

- ✗ On your own piece of paper, write 3-5 similarities (things that are the same) between the two families in complete sentences.
- ✗ Lastly- compare your own life to these other families. Think of at least 3 similarities and 3 differences between either of the families and your own culture. Complete sentences please.
