

Warm up, Day 1:

Globalization:

Economic Interdependence:

Free Trade:

Multinational Corporation:

Comparative Advantage:

- In what ways is globalization making the world more similar?
- In what ways is globalization making the parts of the world more distinct?
- Name some examples of globalization throughout history that we've learned about so far:
- Is globalization limited to the movement of products? What else moves?

Why might some McDonald's food items be unpopular in India or China?

How is fast food an example of globalization?

What are some examples of 'globalized' culture that have impacted the U.S.?

Day 2: Warm Up

<u>Item:</u>	<u>Country:</u>
--------------	-----------------

Sectors of the Economy (list 2 examples for each):

Primary:

Secondary:

Tertiary:

Planet Money Makes a Tee Shirt! In each step, identify the sector of the economy & summarize what is happening with the shirt:

Step 1: Cotton _____ sector

-

Step 2: Machines _____ sector

-

Step 3: People _____ sector

-

Step 4: Boxes _____ sector

-

Reflect: Think about Jasmine's situation in Bangladesh. Why do people say that the textile industry is so awful and so good for the country at the same time?
