### LATIN AMERICA BROCHURE

Congratulations! You've been hired on as a travel agent and have been given the task of creating a new brochure about a Latin American country. You must include all of the following information:

Name of Country	/5
Map of Country (with features labeled)	/10
<u>Colonization</u>	
Who	/5
When	/5
Why	/5
How has it affected present day society	/15
<u>History</u>	
General history	/10
Culture	/10
Landscape	/10
Natural Resources	/10
Fun Activities	/5
Visually appealing	/10
<b>TOTAL</b>	<b>/100</b>

This will be a quiz grade. I expect to see effort. It must be colored (or printed out using color). I would prefer for this to be completely typed, but you can handwrite it as well. For up to 5 bonus points, you may bring in a native food item for the week before Thanksgiving! We will be watching a documentary and feasting.
