

Extra Credit: North America

Choose 3 of the following squares. This will count as 10 points of extra credit on a test grade or DROP your lowest quiz grade! Turn this in with your choices stapled to the back. I expect to see effort! ☺ Any written work needs to be **typed**, NOT handwritten or on notebook paper. All illustrations must be in **ink** and not on notebook paper.

<p>Choose a day and make a list of all the things you consumed/used on that day. Include EVERYTHING – water (drinking, bathing...), food, toothpaste, hair products, clothes, anything you bought, electricity, phone/wifi, etc. Make a list of all the trash you produced.</p>	<p>In 2 paragraphs, write a proposal to solve Austin’s traffic problem. Make sure it is affordable (doesn’t raise taxes too much) and will get votes from Austin citizens. At least 5 sentences in each paragraph!</p>	<p>Choose 5 national parks in the U.S. and Canada and list 5 interesting and unique things to see there. (25 things total)</p>	<p>In two paragraphs, analyze 5 pros and 5 cons of immigration to the United States. Use complete sentences.</p>
	<p>Make a list of 5 pros and 5 cons of immigration to the United States. Use complete sentences.</p>	<p>Choose 5 national parks in the U.S. and Canada and list 5 interesting and unique things to see there. (25 things total)</p>	<p>What is NAFTA? Describe 4 pros and 4 cons. Use complete sentences. 3 paragraphs total.</p>
<p>☺ DRAW A POLITICAL CARTOON ABOUT GENTRIFICATION</p>	<p>In two paragraphs, analyze 5 pros and 5 cons of immigration to the United States. Use complete sentences.</p>	<p>In 2 paragraphs, write a proposal to solve Austin’s traffic problem. Make sure it is affordable (doesn’t raise taxes too much) and will get votes from Austin citizens.
